THE RIDE

What better way to end your mountain bike season than at The Northwest Challenge, Diamond Lake Mountain Bike Race? Not to mention the fact that it's an awesome place to spend a Holiday.

This is a World Class Course...the best in the region. It has received the Competitor Choice award for the best venue, and has become a wonderful addition to the Northwest Challenge family as part of our 4 Cities 4 Rounds Tour.

THE COURSE

Cat 3 This is roughly a 14-mile loop for beginners and includes high alpine single track, a short climb past Silent Creek and a sprint to the finish past Diamond Lake. Best beginners course!

Cat 2.... Race the same course as the Pro's only they do the Mt. Bailey trail once for 21 miles.

Pro's and Cat 1... We lengthened the course to 28-miles by attacking the MT. Bailey 1,500ft drop in 1 1/2 mile downhill twice and everyone loved it! we will post the course map on the series website. Roughly 85% of this race will be high alpine and single track and many wide places to pass. Can you say SWEET?

*GPS & Google course maps will be on the NW Challenge website in July as a downloadable PDF.

THE FUN
